

# USCG Auxiliary Recreational Boating Safety Program 2011

## Get Informed!

**Keep your family safe on the water!**

**March 12, June 11, September 10, October 22**

The ***About Boating Safely*** program is presented by the U.S. Coast Guard Auxiliary, America's Volunteer Lifesavers. Attend this course and pass the exam for a completion certificate and your Florida Boater Card!

**Call 904-419-8113**

## Get Checked!

**No Cost, No Report, No Obligation!**

Get ready for safe boating this year by having your vessel safety checked. We'll meet you at your home or marina, check your boat's safety equipment, and provide a Seal of Safety decal. If something needs correcting, we'll come back!

**Call 904-419-8019**

## Get Aboard!

**Be a part of TEAM COAST GUARD!**

Find out how you can volunteer to assist your local Coast Guard and serve your community in your free time. We have a variety of programs for all ages and interests. Whether on or off the water, indoors or outside, even in the air, we have a place for YOU!
